Under Secretary's note

The history of this Institute is given in the
Circular No - 1908-9 of 25 10 1903 wherein
it has been stated that under no circumstances
should the annual expenditure exceed the
annual income -

The sources of income are (1) Grant
of Rs 1-7-3 a month (2) Contributions by
patrons and subscribers from this district and
(3) Patta collections. The list shows that
items 2 and 3 have yielded not up to Rs. 1000/-
a year.

After the meeting -

11/5/79

I presume the scale will be
reduced if there is a fall in
the income. A caution to this
effect may perhaps be in-
serted.

By the way, is the levy of
jatra fees an item to be defended
on? Unless it is for admission
on lands belonging to the Temple
it seems hardly legal unless
it falls under the L. B. & C.
Regn.

is over Rs 1000 the expenditure is only a third of that

I am not sure if we should take
up the questions raised by me for solu-
tion at present. In Munaraya matters,
it seems to be better to let well alone

reconsider first principles. If the De-

To L. Ananthaswami Rao Esq. B.A.
Secretary to the Government of
Muzrai Department

Sir,

With reference to Govt Proceedings No 44-6 dated 27th May 1905, sanctioning entertainment of a Paricharak for the ^{Temple} Sri Venkataswami at Devaraya Jodipalli, Bappalli Taluk of Rs 2/- per mensem, in addition to the scale of expenditure originally in Government Proceedings No 908-9/ J. 72-98 dated 28th October 1903, I have the honour to state that the temple in question has risen in importance considerably, as one of the Committee of the temple have in their meeting held on the 1st 1908, resolved that an additional establishment consisting of Bhajantris, flowerman at an annual cost of Rs 81/- was necessary for which sanction has now been applied for.

2. The Sub Division Officer, Chikballapur also recommends the above proposal for sanction

3. A proposal for the appointment of bhajanthis was once before made by the Amildar in 1905, but as the funds at the credit of the Institution were not sufficient to meet the additional charge, the question was then deferred. I recommend therefore that Government sanction may be obtained for the additional establishment now proposed, as it is now considered quite necessary and as the funds of the temple which are increasing every year, can admit of the increased expenditure now proposed, being incurred. The balance of funds at the credit of the Institution is reported to be Rs 5,520/- at the end of February 1908

4. Vernacular Correspondence ending with Chikballapur Sub Division Officer's Gadi no 789, together with a proposition statement showing the present and proposed scale of expenditure is herewith submitted.
